

AGENDA

Leveraging Innovation in TB Diagnostics to End TB by 2030: A series of Russian-language webinars for audiences in Eastern Europe and Central Asia TB Lab Diagnostics (2 consequent days)

FIRST DAY

17.06.2021 (1 DAY) 11.00. CET

Contributors:

Andrei MOSNEAGA, STBP – co-facilitator

Malik ADENOV, NTP Manager, Kazakhstan – co-facilitator

Lucica DITIU, STBP - introduction invitee, opening remarks

Sevim AHMEDOV, USAID – introduction invitee, opening remarks

Wayne VAN GEMERT, STBP – focal point, presenter

Farangiz MIRZOYEVA, Cepheid - presenter

Nataliia KAMPOS-RODRIGES, (Public Health Center of the MOH of Ukraine) - presenter

Sumit MITRA, MOLBIO DIAGNOSTICS - presenter

Asgar ISMAYILOV, STBP – coordinator

	Topic	Presenter	Time
1	Introduction remarks. Housekeeping and organizational notes	Andrei Mosneaga, STBP Malik Adenov, NTP, Kazakhstan	5 min
2	Welcoming and remarks	Invitee for introduction: Lucica Ditiu, STBP Sevim Ahmedov, USAID	8 min
3	Achieving universal access to rapid TB testing and drug susceptibility testing: adopting the latest recommended technologies	Wayne Van Gemert, STBP	7 min
4	Updates on TB innovations and 10 Color technology	Farangiz Mirzoeva, Cepheid	7 min
5	Integrated approach to PCR testing (HIV+TB+Sars-Cov-2 and HCV) as an added value to UHC	Nataliia Kampos-Rodriges PHC Center, MoH, UKR	7 min
6	Assured Molecular Diagnostics - at the Point Of Care	Sumit Mitra, MOLBIO DIAGNOSTICS	10 min
7	Q&A section	Andrei Mosneaga, STBP Malik Adenov, NTP, Kazakhstan NTP	30 min
8	Wrap up and announcements for further webinar series	Andrei Mosneaga, STBP Malik Adenov, NTP, Kazakhstan	5 min

Total Webinar time: approx. 1h 20 min

AGENDA

Leveraging Innovation in TB Diagnostics to End TB by 2030: A series of Russian-language webinars for audiences in Eastern Europe and Central Asia TB Lab Diagnostics (2 consequent days)

SECOND DAY

18.06.2021 (2 DAY) 11.00. CET

Contributors:

Andrei MOSNEAGA, STBP – co-facilitator

Alena SKRAHINA, Deputy Director Republican Research and Practical Centre for Pulmonology and Tuberculosis, Belarus – co-facilitator

Morten RUHWALD, FIND - presenter

Matvey STAVTSEV and Aylana NAMRUEVA, BD – presenter

Ohashi YUTA, Toyota Tsusho - presenter

Kristians KORNS, Cepheid, - presenter

Asgar ISMAYILOV, STBP – coordinator

	Topic	Presenter	Time
1	Introduction remarks. Housekeeping and organizational notes	Co-facilitators: Andrei Mosneaga, STBP Alena Skrahina, NTP, Belarus	5 min
	The TB diagnostic pipeline	Morten Ruhwald, FIND	10 min
3	Molecular Detection of Multi Drug Resistant Tuberculosis on BD MAX™ System	Matvey Stavtsev and Aylana Namrueva, BD	10 min
4	'Driving to find the missing millions' - successful combination of RMD and X-ray AI on a vehicle platform	Ohashi Yuta, Toyota Tsusho	7 min
5	Open question and discussions: "How to improve and rationalize maintenance and care of RMD devices in EECA region?"	Andrei Mosneaga, STBP Alena Skrahina, NTP Manager Kristians Korns, Cepheid	7 min
6	Q&A section	Andrei Mosneaga, STBP Alena SKRAHINA, NTP Belarus	30 min
7	Wrap up and announcements for further webinar series	Andrei Mosneaga, STBP Alena SKRAHINA, NTP Belarus	5 min

Total Webinar time: approx. 1h 20 min
